

The Time For Action is Now!

# Save Moruya from the Orange Route!

Act Now!  
Scan our QR Code  
& Sign our Petition!

**SAVE** the homes and properties of many local people

**SAVE** the trees and pristine wetlands along our river

**SAVE** valuable farming land and livelihoods

**SAVE** local businesses that rely on passing trade

**SAVE** millions of dollars in construction costs

**SAVE** our River flats

**The Orange Route will place  
an 8km, 4 lane, 5 metre high concrete bridge  
across our beautiful River flats!**

Transport4NSW have not been open about their  
consultation process. We must ACT NOW!

# Compare the **Original Purple Route** with the **Orange Route** chosen by Transport4NSW.

The **Orange Route** starts North of the Industrial Area.  
It passes out of sight of Moruya & comes out at  
Mountain View Road to the South!  
No Off Ramps! Moruya will be passed by!

The **Original Purple Route** is much closer to town  
& far less destructive!  
Help save homes, farms, local businesses,  
tourism, & the environment!

Ask the NSW Govt. to direct the funds they  
will save to our new Hospital!

Act Now!  
Scan our QR  
Code & Sign our  
Petition!
